### **Old Business**

Shay White presented the Hells Canyon Recreation Collaborative website for volunteering to work on October 22. There is also a handout available. The website allows you to choose the date you are available to volunteer for the restoration of Pittsburg Landing. The more people that sign up the easier it will be to accomplish our goal of cleaning up Pittsburgh Landing. Some questions also came up regarding the parking lots and no room for recreational parking. The question is can we get the guides to use the parking lot more efficiently. Shay will check into this.

Confluence Run --- September 14, 15, and 16, 2018. Chairs for this event are John Bryant, Dave Dickerson, Jim and Brandi Moore. Jim McGarvin is supplying the corn...Chet Thorson will bring it to the canyon. The Whites will be bringing in the steaks and chicken. Everything is wonderfully organized. As a reminder all times are MST (Mountain Time). Northwest River Runners will meet us at the Confluence around 11:30 a.m. – 12:00 on Saturday. This should be a great run for everyone.

Debbie Thorson reported on the website. We have had many good comments regarding the page. Please remember this is a work in progress and we are still working on art work and content. If you have any suggestions, please let Debbie Thorson or Dave Dickerson know so they can implement your ideas.
