Banquet Report

If you were unable to attend the 2019 WWA Banquet we would like to give you an update on the fantastic turn out this year and to thank our exhibitors, donors, and sponsors. It takes many people working very hard every year to put on a banquet of this caliber. A huge thank you goes to the 2018 and 2019 Board Members and their spouses and other family members. We start planning and organizing the banquet as far back as August. Members write letters and e-mails to potential exhibitors and donors. Several members drive to Lewiston to collect auction and raffle prizes donated by the jet boat businesses there.

A huge thank you to the Gary and Judy Sparks, Steven and John our auctioneers. Gary and family always bring a little more fun to the event and we appreciate the many years they have volunteered to help the WWA.

We would like to thank the following exhibitors for bringing boats and other marine products to Boise:

Bean Marine Fabrications, CJC Marine, Hells Canyon Marine, Riddle Marine, Indmar Marine Engines, Moto Jet, Rocky Mountain Jet, and Indian Creek/Custom Weld.

We would like to thank the following Table Sponsors: Bill Davis Construction, Performance Mechanical, Skip's Electric/Comer Electric, Hells Canyon Marine, Moore Truck Repair and Extreme Electric.

New Year's Day Run 2019

The New Year's Day run this year was a perfect day. The sun was shining it was warm at Rattlesnake Beach. Everyone had a truly great day. We had 12 boats launch from Celebration Park. We had a huge crowd on the beach toasting the river gods. I think it must have done a lot of good this year considering the weather we are having now.

We had a few people show up at Celebration for the BBQ, which was fantastic. Thank you to all our cooks and boat captains leading the way up the river.
